

General Motors Names Automatic Systems, Inc. a 2022 Supplier of the Year

ASI leadership accepted award with GM's Purchasing leadership.

Kansas City, March 31, 2023 – General Motors recognized Automatic Systems, Inc. (ASI) as a 2022 Supplier of the Year. GM celebrated honorees at its 31st annual Supplier of the Year event in San Antonio, Texas, last week.

GM's Supplier of the Year award recognizes global suppliers that distinguish themselves by exceeding GM's requirements, in turn providing customers with innovative technologies and among the highest quality in the automotive industry. This is the 4th time ASI has received the award.

"We pride ourselves on consistently delivering innovative solutions on time and on budget. Our commitment to GM's journey toward 'zero crashes, zero emissions and zero congestion' is a shared success and proof GM, our partners, our suppliers, and our people all work so well together," said Michael Hoehn, ASI President.

"We are thrilled to recognize these outstanding suppliers after yet another challenging year in the automotive industry," said Jeff Morrison, GM vice president of Global Purchasing and Supply Chain. "They overcame countless obstacles and exemplified what it means to be resilient, resourceful and determined. Beyond that, these suppliers demonstrated their commitment to sustainable innovation and to driving advanced solutions in collaboration with the GM team."

Each year, GM's Supplier of the Year recipients are selected by a global, cross-functional GM team for their performance in criteria such as Product Purchasing, Global Purchasing and Manufacturing Services, Customer Care and Aftersales and Logistics.

###

About **Automatic Systems, Inc.**

Automatic Systems, Inc. (ASI), is headquartered in Kansas City, Mo. and is a world class leader in providing turn-key solutions through the design, build, and installation of conveyor systems and automation throughout airport, automotive, and heavy industrial manufacturing environments.
